RE: 2018 STREET RESURFACING UPDATE

Residents of Grosse Pointe Park please be advised the following North Jefferson streets are scheduled for completion within the next two weeks. However, South Jefferson streets scheduled for completion this year will be postponed until the Spring of 2019. Cadillac Asphalt will be posting notices 24 hours in advance of streets that are to be resurfaced. When you see such notice, **please avoid using your driveway or parking on the street during this time, park on a neighboring street.** Once the resurfacing is complete and notices are pulled, your street and driveway will be accessible; typically, the resurfacing process per street takes an entire business day.

The schedule could be impacted by inclement weather, especially rain which could cause delays. The City will provide updates via, www.grossepointepark.org, Facebook and Constant Contact. Residents can also call the Public Works Department at 313-822-5100 with any questions or concerns.
