## Wednesday, June 15 // 10am-12pm

- Planting native plugs

## TO REGISTER:

SCAN QR CODE, or email [kaleigh@crwc.org](mailto:kaleigh@crwc.org)

In Spring 2022, CRWC was awarded a grant through the Wildflower Association of Michigan to plant a native pollinator garden in the front of our very own office! This pollinator garden will be used for educational workshops, native seed collections, and as an example of what a thriving native garden can look like.

*We need your help to get our plants in the ground!*

### LOCATION

CRWC Office  
1115 W. Avon Rd  
Rochester Hills, MI 48309
