

Resolution on Storm Water Pollution Control

Whereas, it is of the utmost importance to the People of the City of Grosse Pointe Park to prevent pollution from storm water runoff and protect the quality of Lake Saint Clair, and

Whereas, it is necessary for the health, safety, and general welfare of the citizens of the City of Grosse Pointe Park to protect the environment against pollution and other effects from storm water runoff, and

Whereas, the County of Wayne, through enactment of County Ordinance No. 2006-1114A, has established best management practices for the design, construction, maintenance, and operation of storm water management systems, and

Whereas, the City of Grosse Pointe Park is mandated by the state and federal governments, through a National Pollutant Discharge Elimination System Discharge Permit, to control storm water pollution to the maximum extent practicable,

It is hereby resolved, that

The City of Grosse Pointe Park shall not approve a site plan for development or redevelopment of any parcel of one acre or more in size without the owner of such parcel demonstrating compliance with the provisions of County Ordinance No. 2006-1114A, to the satisfaction of the Director of Public Services taking into account the specific location of the development.
